

Juliana Manco Herrera

FRONTEND DEVELOPER | KNOWLEDGE IN FULL-STACK DEVELOPMENT

Medellin, Colombia.

+57 311 724 9900 | julianaherrera522@gmail.com | github.com/julianaherrera1 | portfolio-juliana-herrera.vercel.app

PROFESSIONAL SUMMARY

Frontend Developer with experience in React, Next.js, and Tailwind CSS, focused on building modern, responsive, and user-centered interfaces. Currently expanding into full-stack development with knowledge of Node.js, JavaScript, Laravel, and SQL databases. Interested in web development, data analysis, and artificial intelligence.

PROJECTS

MiNegocioApp | Laravel, PHP, MySQL, Tailwind, Laravel Breeze

Developed a full-stack business management application, implemented user authentication using Laravel Breeze, and built CRUD functionalities for products and sales.

GitHub: <https://github.com/julianaherrera1/minegocioapp>

Landing Page for a Digital Agency | Next.js, TypeScript, Tailwind CSS, Framer Motion

Developed a modern and fully responsive landing page for a digital agency, designed a conversion-focused interface for service presentation, and structured reusable components using Next.js.
